

Company 308 Excellence Clause

Company 308 members represent the most dedicated dance students at Create 308. These students are held to the highest standards of excellence inside and outside the studio. Company 308 members set the bar for all dance academy students in teamwork, leadership, and dedication. Being a part of this team is an honor and a privilege. We're very excited to see Company 308 grow this coming year.

2024 - 2025 Rehearsals

This year, Company 308 will be rehearsing primarily on Sunday afternoon. Tuesday and Wednesday nights may be used for solos, duets, and trios. Some groups and solos, duets, and trios will rehearse during the academy week. We will have very few if any Saturday rehearsals (possibly a few leading up to January Premiere and first competition). We will do our best to work around schedules, but Company 308 rehearsals are the first extra-curricular activity priority of all Company 308 dancers.

2024 - 2025 Choreography Dates

Most choreography will be learned in August or early September. As soon as we finalize pieces, we will put out a list for Choreography dates. If possible, please plan family vacations before August and September.

Company 308 Payment

Once pieces are set (after auditions), we will send out individual payment schedules for each dancer. Payments are made from June 2024 through May 2025. Payments include one time fees of \$800 (June), deposit of 25% (July) and 10 equal payments from August through May to cover the remaining 75%.

If you have questions about this,
please email accounting@create308.com.

If you have any questions relating to Company 308 that are not finance related, please email us at dance@create308.com.
